Mission Statement: It is our mission to exceed our government customer's expectations while maintaining a level of service that is unparalleled in our professional services industry.

COMPANY OVERVIEW

Bouldin Precision Consults was formed in 2020 bringing in over 25 years of experience in Industrial Maintenance, Repair, and Machining Services from the commercial sector.

Bouldin Precision focuses on solution-based resolutions to machinery problems to ensure increased quality and longevity of machine performance.

With an initial focus on providing Industrial Maintenance and Repair services, Bouldin Precision has expanded to specialize in providing a variety of services to meet its customer's diverse needs.

TECHNICAL SERVICES

To meet the growing demand for specialized services, Bouldin Precision Consults is capable of providing services in the following areas: Industrial Machinery Maintenance and Repair, New Equipment Installation and Set Up, Machining Services, Procurement and Delivery from P-Card purchases, and more.

PRIMARY INDUSTRY NAICS CODES

Bouldin Precision Consults provides a variety of exemplary services under the following North American Industry Classification System Codes (NAICS) and/or Product and Services Codes (PSC):

- | | | | |

| 4 | 332439 – Other Metal Container Manufacturing | 8 | 541614 - Process, Physical Distribution, And Logistics Consulting Services |

QUALITY COMMITMENT

At Bouldin Precision, we're committed to exceeding your expectations and ensuring your complete satisfaction. Our team of experienced managers and technicians work diligently with our government customers to ensure the quality of our service is unparalleled and all performance metrics are met.

EXPERIENCE

Industrial Machinery Diagnostics and Repair

Bouldin Precision Consults is currently providing machinery rebuild, repair, and recommissioning services to local small business manufacturers as well as large corporations.

Machining Services

Bouldin Precision Consults provides both manual and cnc machining capabilities to produce new components in addition to remanufacturing old or damaged components to expedite machinery repair.

Rapid Procurement for P-Card Holders

Bouldin Precision Consults is currently providing procurement and delivery of small components necessary to the research and development teams at the Naval Surface Warfare Center, Panama City Beach, FL.

DEDICATED TEAM

When you work with Bouldin Precision Consults, you are working with a team that is dedicated to completing all contractual objectives within the scope of work.

Bouldin Precision will assign one of our experienced team members to oversee the contract and provide regular feedback to the Contracting Officer and COR as needed. Our dedicated team is not satisfied until all expectations have been exceeded.
